Monteverdi and his Contemporaries

A workshop for singers and instrumentalists

Tutors: Roger Wilkes and Geoffrey Stanley

Canon Frome Court, nr. Ledbury, Herefordshire

Registration from 9.30am. Workshop 10.00am – 5.00pm

The BMEMF AGM will be held at 1.00pm.

Both tutors have a wonderful collection of music from their years of taking workshops in North Western Early Music Forum (NWEMF) and in BMEMF. Roger, who is Director of NWEMF Summer School of Renaissance music, will bring motets, mass movements and madrigals by Monteverdi, and both tutors will have plenty of music from the period which can be explored by singers and instrumentalists.

We will have two of the sessions in separate groups – Roger with singers and Geoff with instrumentalists and Roger will also direct two joint sessions.

Canon Frome Court is a Georgian mansion set in 40 acres of beautiful Herefordshire countryside. It is now run by Wildflower Trust Housing Association as an organic farm. The hall was specially built in 1914 as a music room, and though it has faded somewhat from its original grandeur, it has a wonderful acoustic, is light and has lovely views. Canon Frome Court is situated on a lane off the A417 between the villages of Stretton Grandison and Ashperton

Coffee/tea will be provided but please bring your own lunch and music stand.

Prior booking is essential. Cost: £14 for members of BMEMF, £16 for non-members.
