Music of the Capilla Flamenca in Spain: A workshop for singers with tutor Graham Coatman

Venue: Yarpole Church, HR6 0BD. Registration from 9-30. Workshop 10.00 – 4.30

Crecquillon, Canis, Payen, Rogier – these and others from the Netherlandish School are names that might not be recognised by many people today. Yet these composers and their contemporaries played a central part in the music scene of their time, finding fame not just in their homelands but in ecclesiastical and secular courts all over Europe. We will be working on music from the 'Flemish Chapel' in Spain, for which a succession of Netherlandish composers wrote music.

Our tutor, Graham Coatman, is Senior Lecturer at Leeds College of Music. He is an accomplished choral trainer, regularly directing choirs and ensembles. Organisations he has worked with include the Royal Opera, English National Opera, Opera North, Welsh National Opera, BBC Philharmonic, Sinfonia 21 and Orchestra of St John's. He is also Director of the Historically Informed Summer School.

Our venue, St Leonard's Church in Yarpole, has under-floor heating, comfortable chairs and nice loos, not to mention an award-winning community shop at the back!

Cost of workshop: £16 for Fora members, £18 non-members, £5 students. Prior booking is essential.
